Dear John:

Most people "intend" to write letters of support, but somehow never get around to putting pen to paper. You are one of those exceptional friends who are able to express their views.

Thank you for your letter in support of traditional separation of church and state, specifically in regard to legislation regarding abortion. As a Catholic, I do not favor abortion. However, I cannot insist that all citizens live according to my religion.

Wishing you the very best and thanking you for your interest in Arizona state government, I am

Sincerely,

A handwritten signature in cursive script that reads "Rose Mofford".

ROSE MOFFORD  
Governor
